

The Coravin system is the brain child of Greg Lambrecht. His dream was to magically pour wines from bottles without ever pulling the cork. The system works by inserting a thin needle through the cork and extracting the wine, it is pressurised with argon, an inert gas that has no effect on the taste profile of the wine.

## Fine Wines by the Glass

<b>WHITE</b>		<b>Glass</b>
Riesling Trimbach, Cuvée Frédéric Emile	<b>2004</b>	<b>€23</b>
